Step 11: After selecting Profile, It will take you to your **Page**. You can then start posting and adding followers!

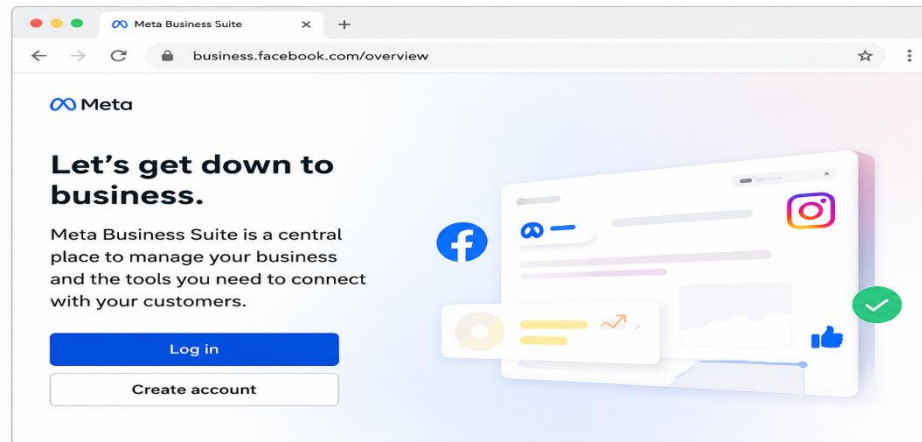

1.2 Step 2: Linking Your WhatsApp Business & Instagram to Business account/portfolio

We created Facebook page in the previous chapter, I will be showing you the steps in creating your business account and how to link your Instagram and Whatsapp business to it.

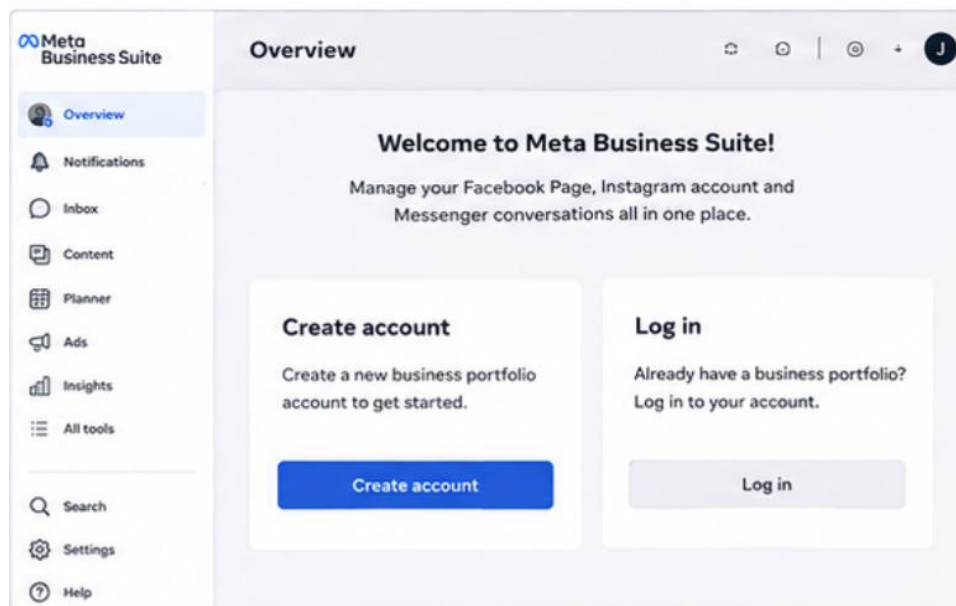

Creating your Business Profile/Account:

Step 1: Visit business.facebook.com/overview on a desktop browser. And Log in with your personal Facebook account (Meta requires a personal login to verify ownership).

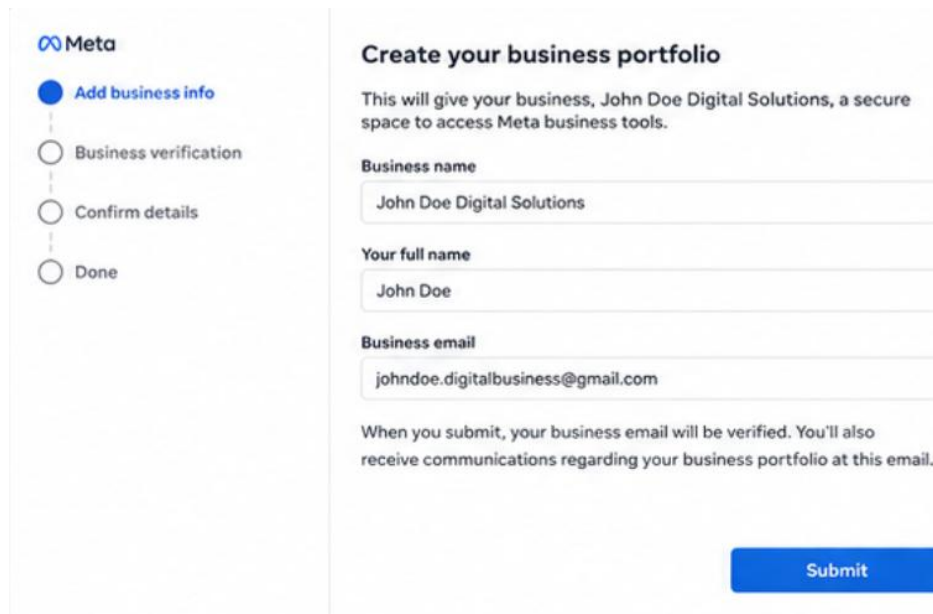

1. Visit business.facebook.com/overview

Step 2: Click Create account or Create a business portfolio

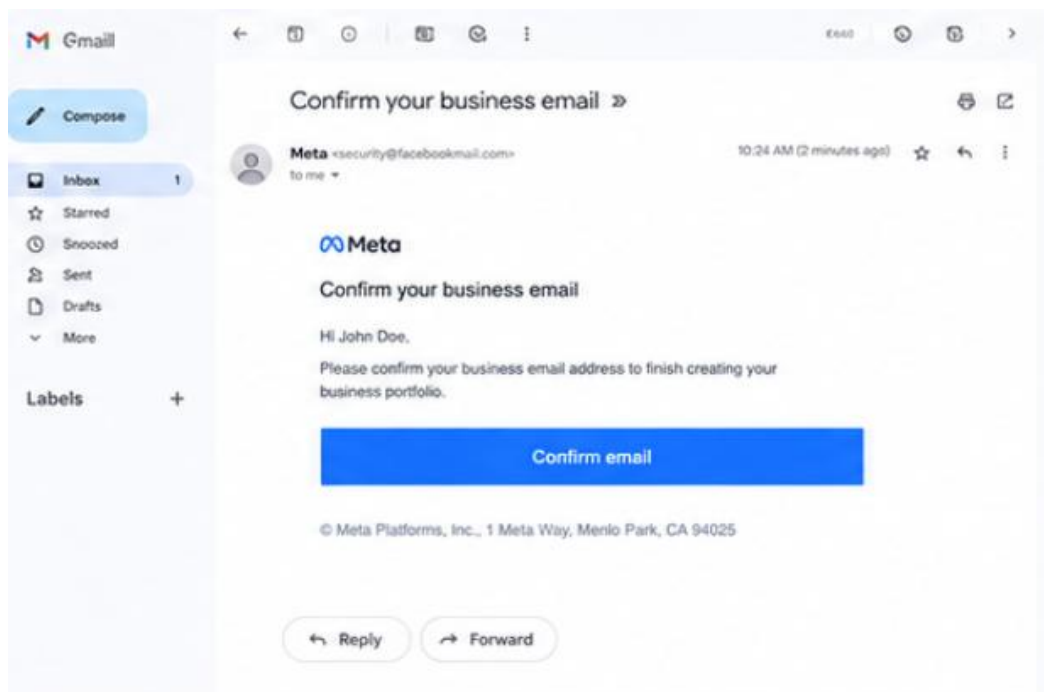

Step 3: Enter your official Business name, your Full name, and a Business email. You will receive confirmation request on the email. Make sure you enter the correct email, you will have to confirm in the next step

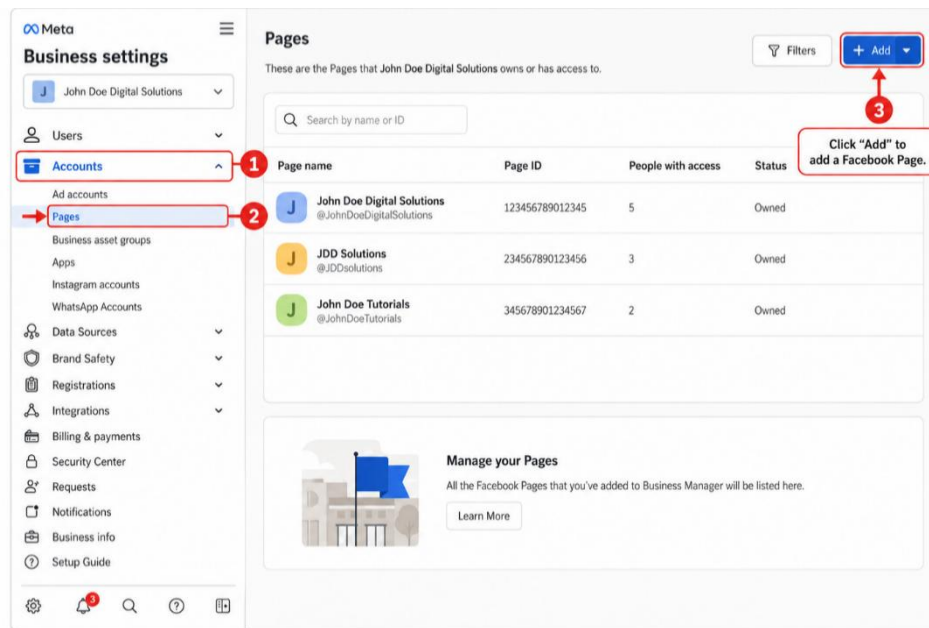

The image shows a web form titled "Create your business portfolio" from Meta. On the left, a vertical progress bar shows four steps: "Add business info" (active, blue circle), "Business verification" (grey circle), "Confirm details" (grey circle), and "Done" (grey circle). The main form area contains three input fields: "Business name" with the value "John Doe Digital Solutions", "Your full name" with the value "John Doe", and "Business email" with the value "johndoe.digitalbusiness@gmail.com". Below the fields, a note states: "When you submit, your business email will be verified. You'll also receive communications regarding your business portfolio at this email." A blue "Submit" button is located at the bottom right.

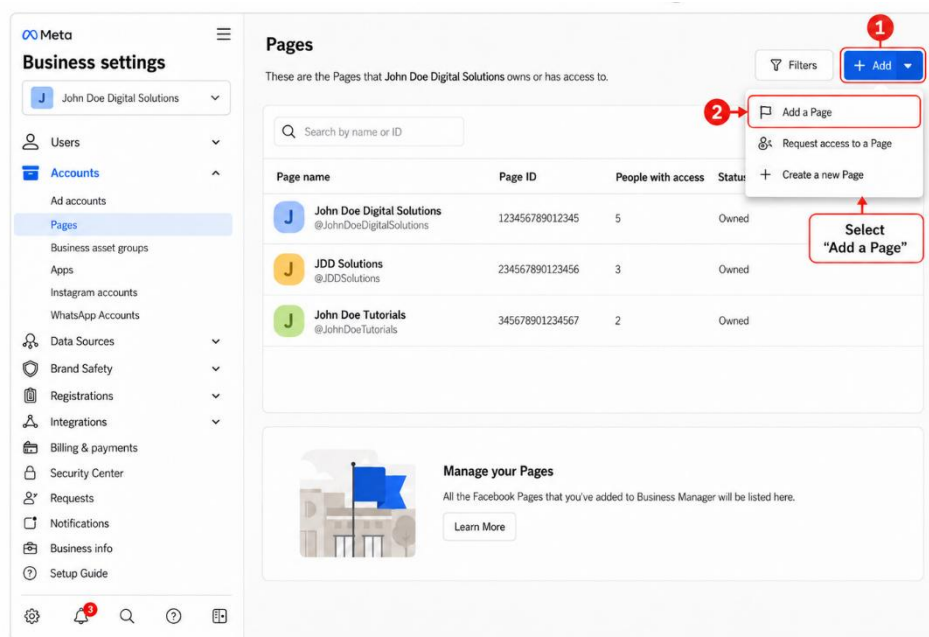

Step 4: Go to your Gmail, open the mail you received from Meta and select the **Confirm email**

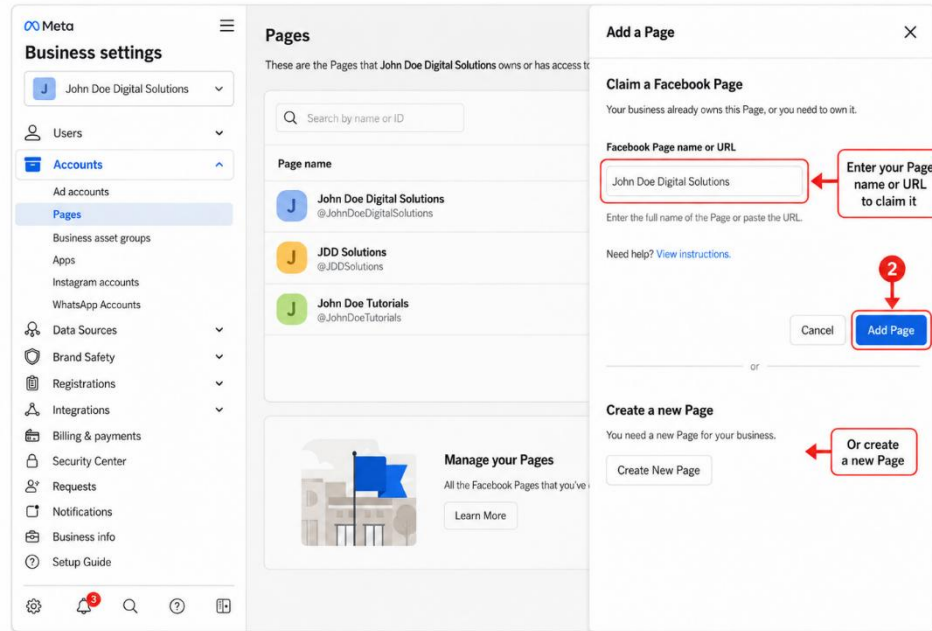

Step 5: After selecting Confirm email on the previous step, Meta will confirm your mail and take you to Business account setting where you will add your page. select **Account**, then select **Page**, and select the **Add** button at the top right corner

Step 6: After selecting the **Add** button, there will be a drop down, select **Add a page** from the drop down

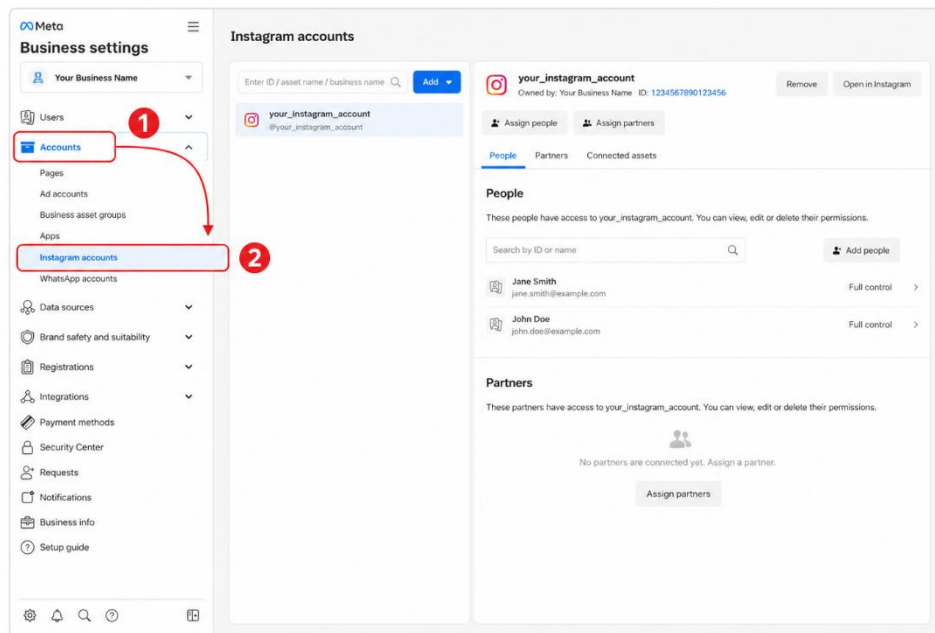

Step 7: Enter your page name or Url to claim it

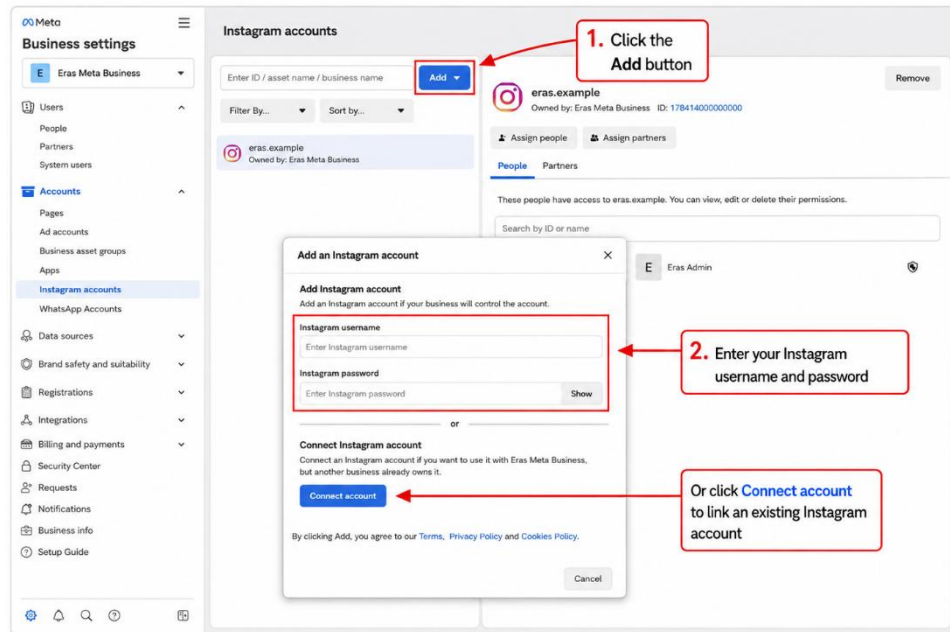

Connecting your Instagram Account:

Step 1: select **Account**, from the drop down, select **Instagram**

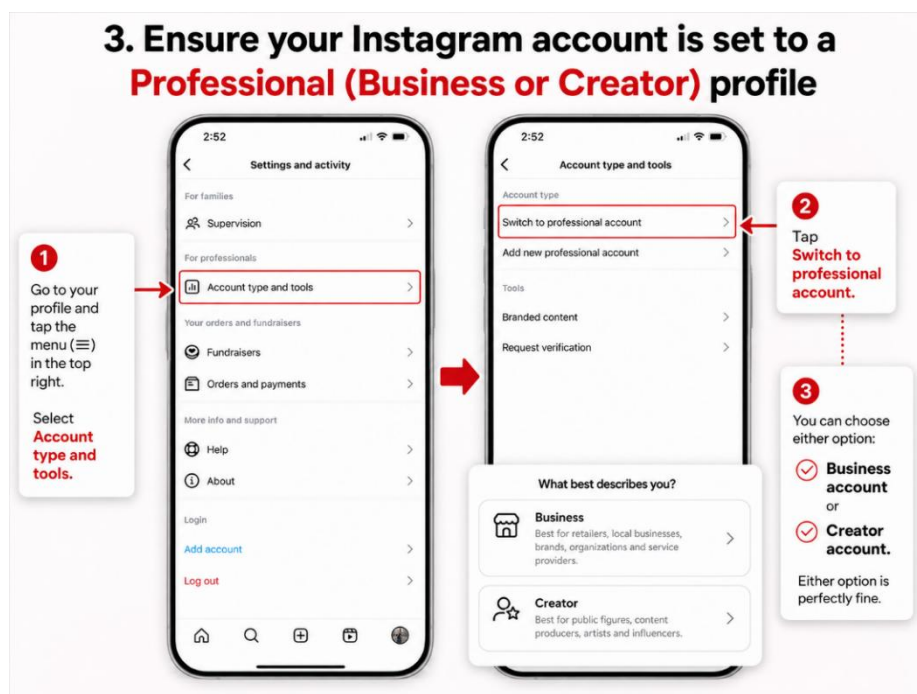

Step 2: Select **Add button**, enter your **Username** and **Password** or select the **Connect account** button to link your **Instagram account**

2. Click Add and enter your Instagram username and password

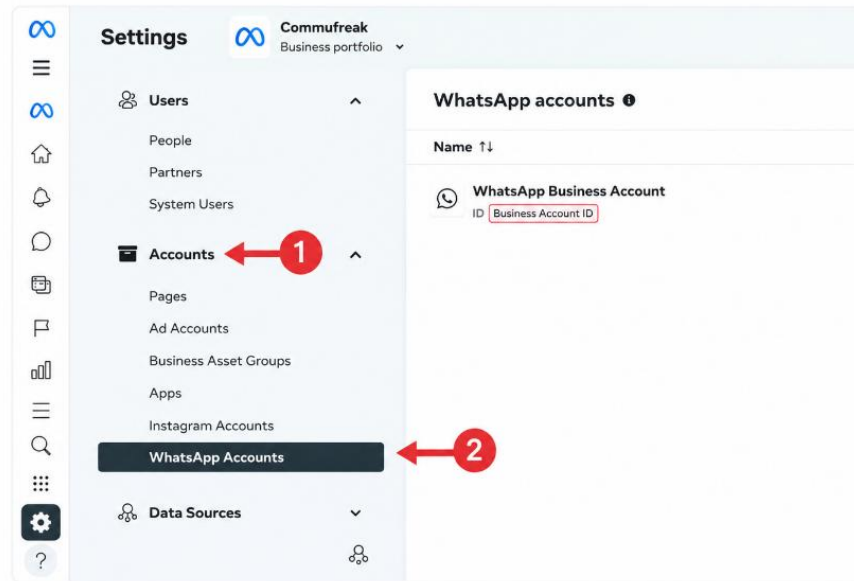

Step 3: If your Instagram account is already in professional, then you can ignore this step. To set your Instagram account to professional, Go to **Settings**, select **Account type and tools**, select **Switch to professional account**, you can pick any of the option, either **Business** or **Creator**

Connecting your WhatsApp Business Account:

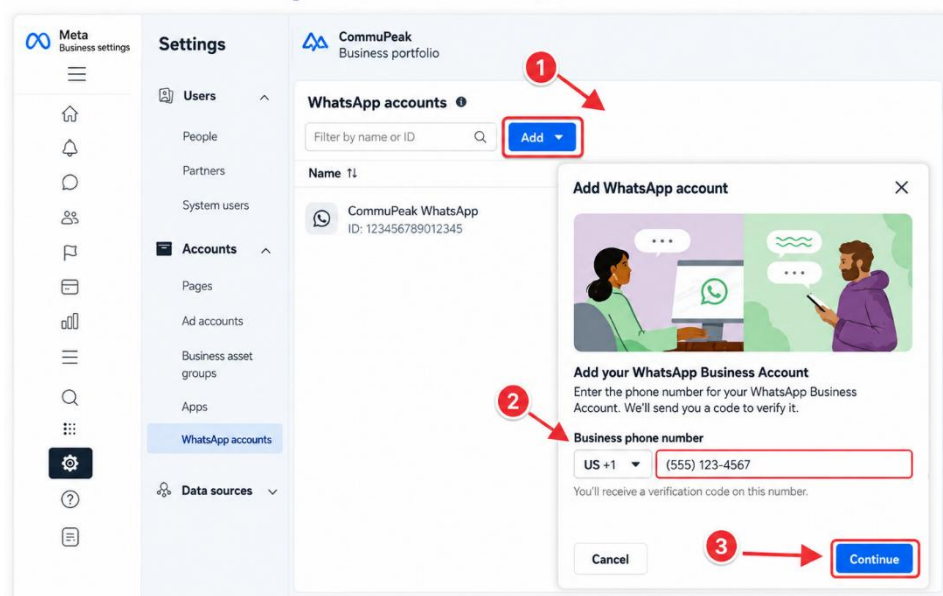

Step 1: select **Account**, from the drop down, select **WhatsApp Business**

1. Go to Business Settings > Accounts > WhatsApp Accounts

Step 2: Select Add button, then enter your **WhatsApp business** number, and select **Continue**

2. Click Add WhatsApp account, enter your business phone number, and click Continue

Step 3: Enter the 6 digit verification code sent to your phone, and select Continue

3. Enter the 6-digit verification code sent to your phone

1.2 Step 3: Accessing Meta Ads Manager

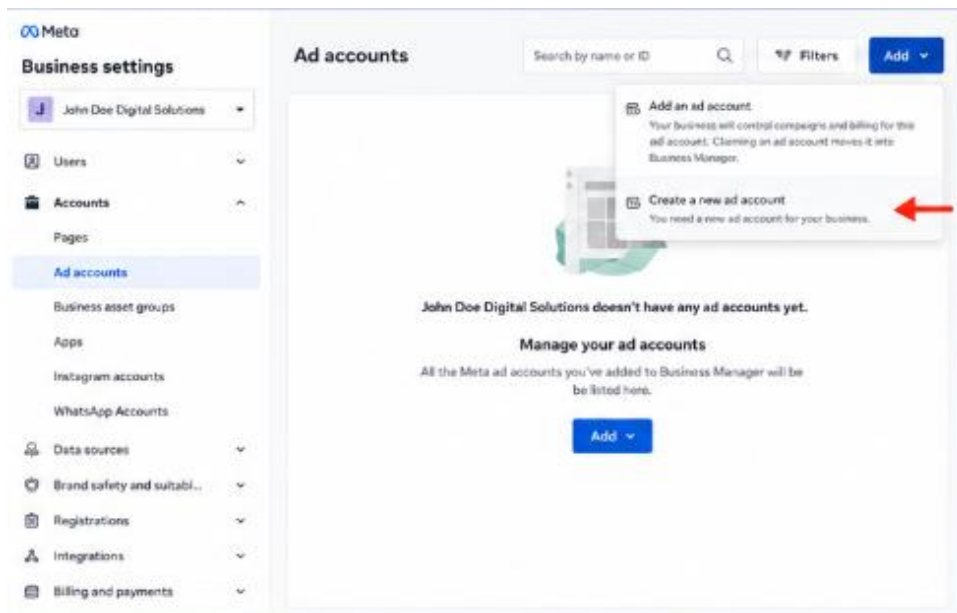

In the section, I will be showing you how to create your **Ads Account** and how to access your **Meta Ads Manager**.

How to create your Ads Account:

Step 1: Go to **Accounts**, and select **Ad accounts**, then select any of the **Add button**

Step 2: Select **Create a new ad account**

Step 3: Enter your **Ad account name**, **Time zone** and **Currency**. Make sure you enter the correct time zone for the country of your target audience. Then select **Next**

The screenshot shows the 'Create a new ad account' page in the Meta Business settings. The left sidebar lists various settings, with 'Ad accounts' selected. The main content area has three steps: 'Add ad account info' (active), 'Assign people', and 'Review and create'. The 'Add ad account info' section contains three fields: 'Ad account name' (filled with 'John Doe Digital Solutions Ads'), 'Time zone' (set to '(GMT+01:00) West Africa Time'), and 'Currency' (set to 'NGN — Nigerian Naira'). At the bottom right are 'Cancel' and 'Next' buttons.

Step 4: Assign yourself full control access to the ad account, and select **Next**

The screenshot shows the 'Create a new ad account' page in the Meta Business settings, now at Step 4: 'Assign people'. The 'Assign people' step is active. The 'Assign people to your ad account' section includes a search bar and a list of 'People with full control'. The first entry is 'John Doe (You)' with the email 'johndoe.official@gmail.com'. A toggle switch next to this entry is turned on, and an arrow points to it. Another arrow points to the 'Next' button at the bottom right. The 'Back' button is also visible.

Step 5: Review detail you have entered and ensure everything is correct. Then select **Create**

Step 6: your ad has successfully been created

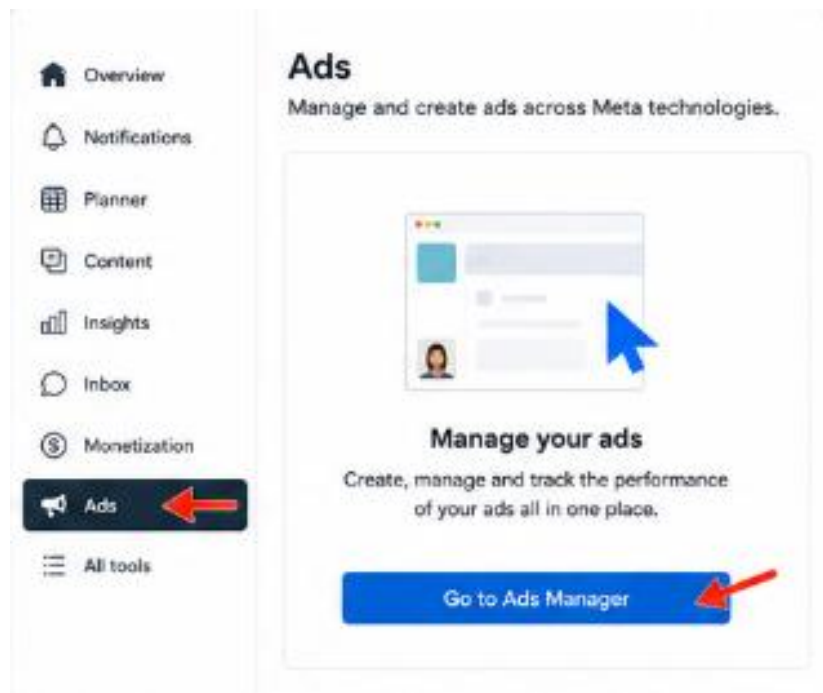

1.3 Accessing your Meta Ads Manager:

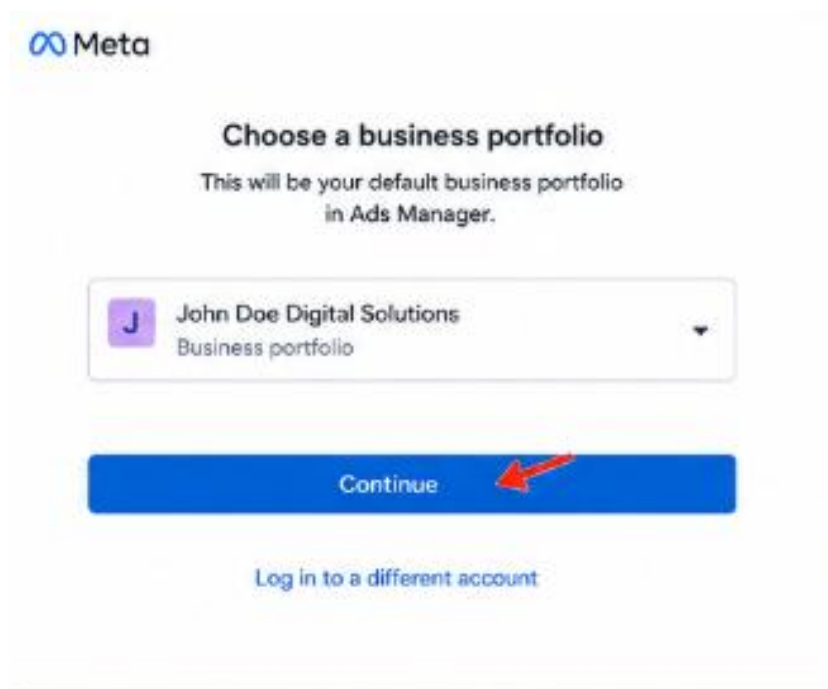

Step 1: Visit business.facebook.com/overview and select Ads

Step 2: Select Go to Ads Manager

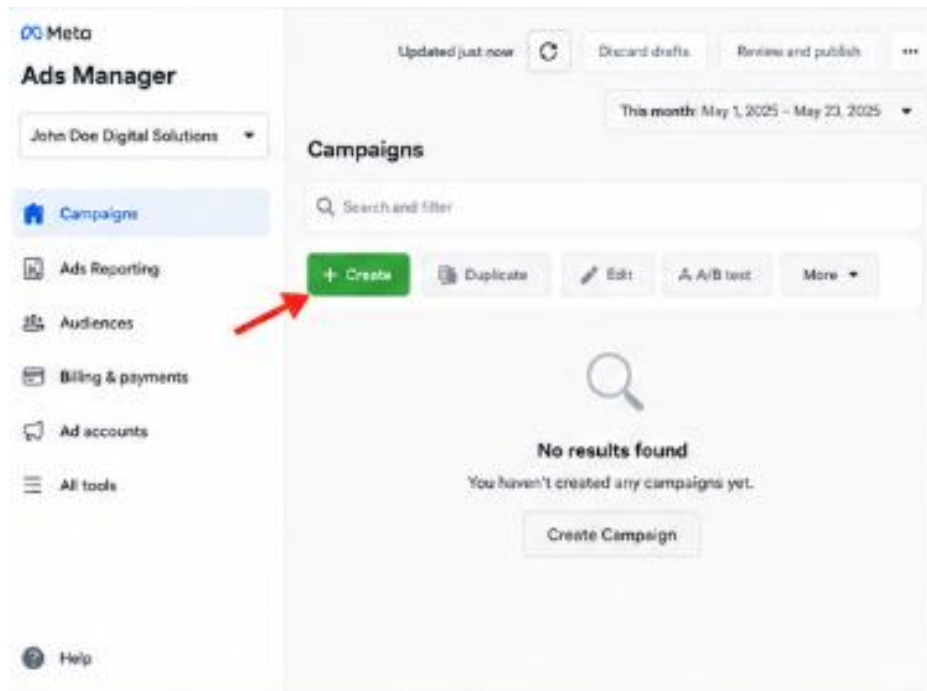

Step 3: Select your Business Portfolio, then select Continue

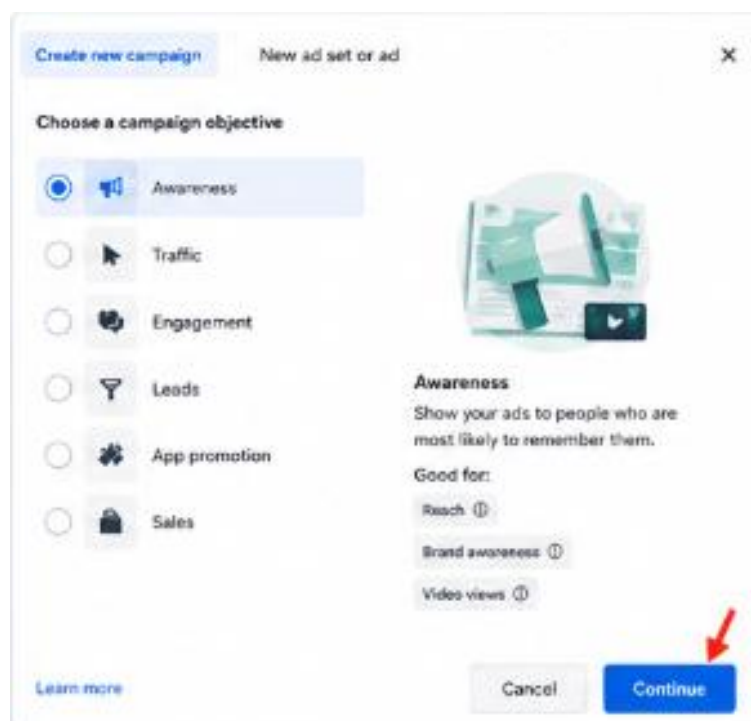

1.4 : Setting Up the Campaign Objective

After clicking Continue from the previous section, you will have access to your business portfolio, and below is the next screen that will appear.

Step 1: Now click **Create** button

Step 2: Select the **Campaign objective** that matches your business goal

Step 3: Write the name of your campaign, and click Continue

The screenshot shows the Facebook campaign creation interface. At the top, there are two tabs: "Create new campaign" (highlighted in blue) and "New ad set or ad". A close button (X) is in the top right corner. Below the tabs, the "Campaign details" section is visible. It includes a "Buying type" dropdown menu set to "Auction", and a "Campaign objective" dropdown menu set to "Awareness". The "Campaign name" field contains the text "Brand Awareness - May 2025", with a red arrow pointing to it. Below the name field is a "Show more options" link with a downward arrow. At the bottom right, there are two buttons: "Cancel" and "Continue". A red arrow points to the "Continue" button.

1.5 Step 5: Budgeting & Audience Targeting:

Step 1: Selects budget you want for your ad campaign, and click **Continue**

The screenshot shows a dialog box titled "Create new campaign" with a close button (X) in the top right corner. Below the title bar, there are three sections, each with a toggle switch set to "OFF":

- A/B test:** Try different images, text, audiences or placements to see which performs best. [Learn more](#)
- Campaign budget optimization:** Campaign budget optimization will distribute your budget across ad sets to get more results depending on your delivery optimization choices and bid strategy. You can control spending on each ad set. [Learn more](#)
- Advantage campaign budget:** Advantage campaign budget will distribute your budget across currently delivering ad sets to get more results. You can control spending on each ad set. [Learn more](#)

At the bottom right, there are two buttons: "Back" and "Continue". A red arrow points to the "Continue" button.

Step 2: Check your setting information and click **Publish** to launch your Campaign

The screenshot shows the same dialog box, but now it displays campaign details. The "Create new campaign" title bar is still present. Below it, the "Campaign details" section shows:

- Buying type:** Auction
- Campaign objective:** Awareness
- Campaign name:** Brand Awareness - May 2025

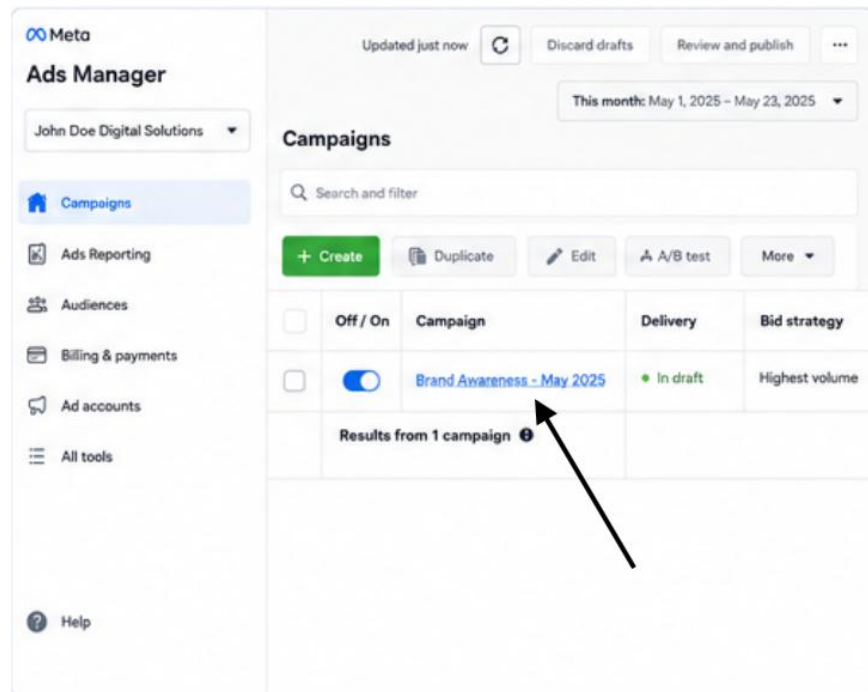

Below the details, there is a "Special ad categories" section with an "Edit" link (pencil icon). The text reads: "Declare if your ads are related to credit, employment or housing, or about social issues, elections or politics. Requirements differ by country. [Learn more](#)". Under "Categories", it says "No categories declared".

At the bottom right, there are two buttons: "Back" and "Publish". A red arrow points to the "Publish" button.

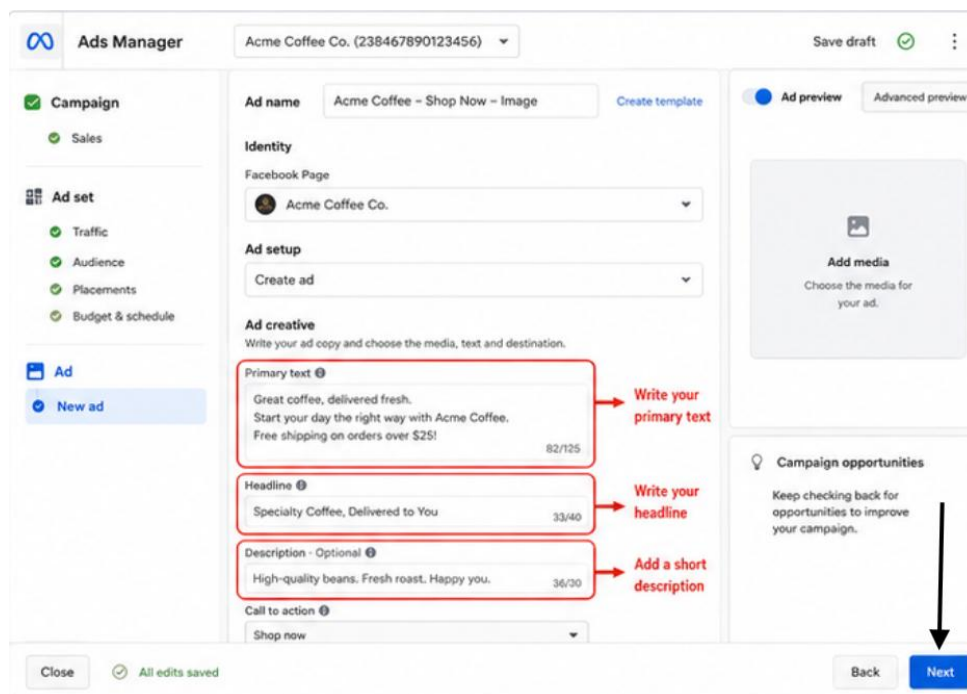

1.6 Step 6: Writing the Ad Copy & Media Setup:

After successfully publishing your **campaign set**, the step is to **write your Ad Copy and Media Setup**

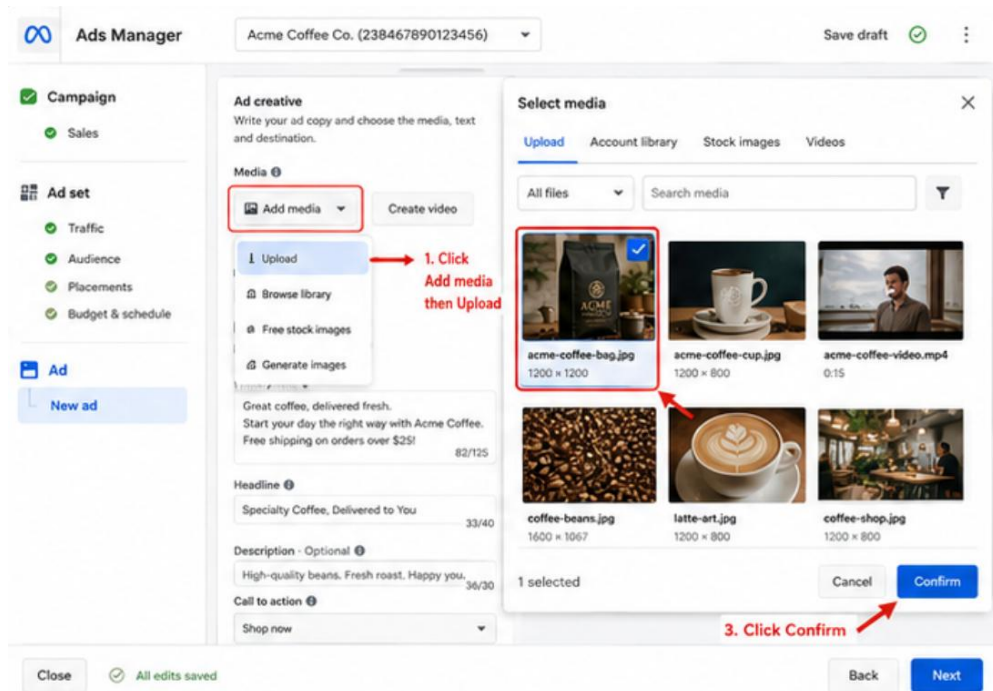

Step 1: Click on the name of the campaign you just publish

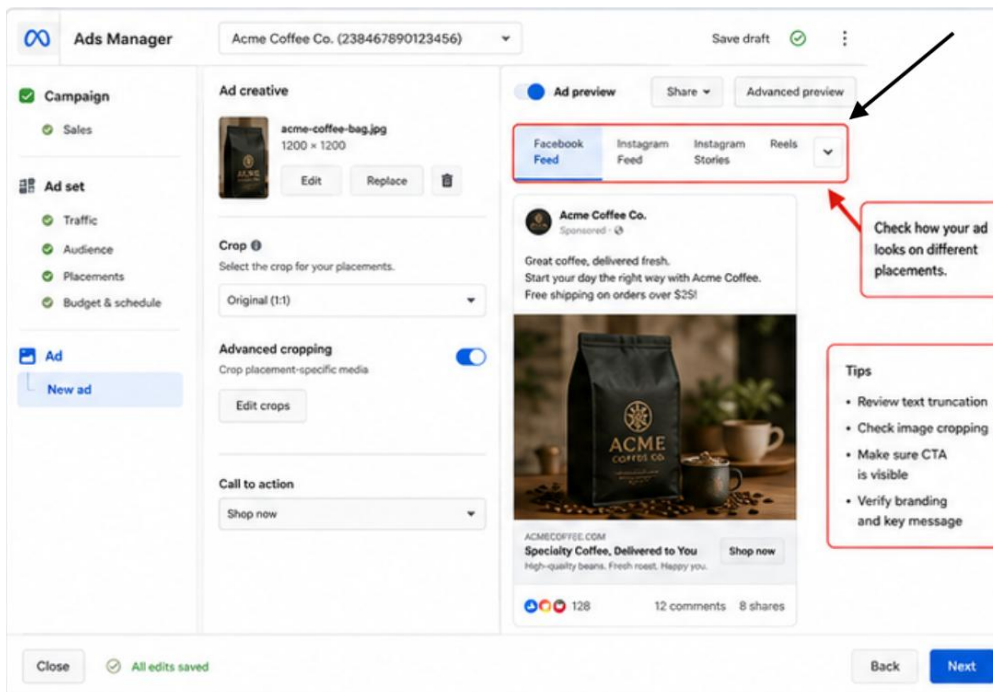

Step 2: Write your Primary text, Headline and Description.

Step 3: click on **Add media**, then select **Upload**. After picking the picture you wish to upload, click **Confirm**

Step 4: After Confirming the Image, you want to use, the screen will change from the previous one to the one below. On this screen, you can **Preview** what the Ad will look like on your various **social media** before launching it. Then click **Next**.

Step 5: Review all the detail, and then click the **Next** button when you are done

The screenshot shows the Facebook Ads Manager interface for 'Acme Coffee Co. (238467890123456)'. The left sidebar contains navigation options: Campaign (Sales), Ad set (Traffic, Audience, Placements, Budget & schedule), and Ad (New ad). The main area is titled 'Ad creative' and shows a media preview of 'acme-coffee-bag.jpg' (1200 x 1200). Below this, the 'Primary text' is highlighted with a red box: 'Great coffee, delivered fresh. Start your day the right way with Acme Coffee. Free shipping on orders over \$25!'. The 'Headline' is 'Specialty Coffee, Delivered to You' and the 'Description' is 'High-quality beans. Fresh roast. Happy you.'. The 'Call to action' is 'Shop now'. To the right, the 'Ad preview' shows the ad as it will appear, including the profile picture, name, and a 'Shop now' button. A 'Final checklist' on the right lists: 'Primary text looks good', 'Headline is clear', 'CTA is selected', 'Image/Video added', and 'Preview looks good'. A tip box says: 'A strong ad = clear message + compelling visual + relevant CTA.'. At the bottom right, a red arrow points to the 'Next' button with the text 'When ready, click Next to continue.'.

1.7 Step 7: Publishing & Tracking:

Step 1: Click the **Publish** button to Publish your campaign

The screenshot shows the Facebook Ads Manager 'Review and publish' screen for 'Brand Awareness - May 2025'. The left sidebar shows navigation options: Campaigns, Ad sets, Ads, Audiences, Billing & payments, and All tools. The main area is titled 'Review and publish' and contains three sections: 'Campaign', 'Ad set', and 'Ad'. The 'Campaign' section shows 'Brand Awareness - May 2025' with objective 'Awareness' and buying type 'Auction'. The 'Ad set' section shows 'Brand Awareness - May 2025 - Nigeria' with audience 'Nigeria • Age 18-45 • All genders' and budget 'N5,000.00 Daily'. The 'Ad' section shows 'Brand Awareness Ad 1' with a single image 'product-showcase.jpg' and primary text 'Grow your brand and reach more people with the right message.'. On the right, a green box indicates 'All checks completed' and 'Your campaign is ready to be published.'. Below this, the 'Audience definition' section shows a gauge for 'Audience selection is fairly broad' with an estimated audience size of '21,700,000 - 25,500,000'. The 'Estimated daily results' section shows 'Reach: 8.6K - 25K' and 'Link clicks: 120 - 350'. The 'Tracking' section shows 'Meta Pixel' and 'Conversions API' both as 'Active'. At the bottom right, a red arrow points to the 'Publish' button.

Step 2: Congratulation, your campaign has successfully been created
